

Hi,

Happy new year!

On Friday morning, 1/18, SJSU Epic will be driving to Irvine to participate in the Epic Winter Conference. There will be about 425 people. Many of our students are going for the first time. We will receive training on campus ministry, short term missions, evangelism, and growing in wholeness. I have the opportunity to do some training in evangelism and to help organize the Day of Faith (1/20, from 1-5) with two other staff. We are excited and need your prayers.

1. Please pray for 21 of us from SJSU going to the Epic Conf. Pray for teachable hearts, responsiveness to the Lord's leading, and practical application in our lives and on campus. Wenna and Tyler will also be going!!
2. Please pray for the Day of Faith as we go to UCI, partner with three churches, and go to parks, beaches, and malls to share the gospel. One church we are partnering with is First Chinese Baptist Church in Fountain Valley where Pastor Godfrey Hom pastors. He grew up at CIBC where I had a chance to serve as a Youth pastor.
3. Please pray for God to raise up workers in our student's hearts and all of those attending as we are challenged to serve in Missions (short and long term). We are trusting God to send a team to the Philippines with Epic from June 1-15, 2019. Epic nationally is trusting God with four other ST Missions this summer.
4. Thank God for providing the majority of my financial needs in the month of December. Thanks for your prayers and financial support. You are appreciated.
5. We are excited for the spring semester that starts on Jan 24<sup>th</sup>. Please pray for us as we plan and get ready for the spring.

Thanks, and God bless,

Jerry Wong
