### Uniform....

The AWANA uniform allows others to identify you as a member of the club. Your child will need to **purchase** a uniform as soon as he/she completes the requirement for membership. Your child is required to wear the uniform each week and affix his/her awards in the proper place.

### Why CCIC-TV chose the program .....

Because.....

It equips Churches and Parents in raising Christ-following Kids for Life, which is our church's commitment.

Because...

The goal of the AWANA club is to reach boys and girls with the gospel of Christ, and to train them to serve Him", which is also our church's calling.

Therefore...

CCIC-TV adopted AWANA Club as part of our children ministry's outreach program.

## **Appendix .....**

### **Dues...**

Dues for AWANA clubs are \$1.00 per week. 50 cents of the dues are used to help pay for awards and also to train clubbers with responsibility. The other 50cents are collected to support the regional missionary. You should turn in your dues to leader when you check in at the start of each club meeting.

### **AWANA shares....**

AWANA shares are earned by clubbers. They can be spent at the AWANA store in exchange for gift items at the end of the year. Parents can help earn the shares by attending special events. Clubbers can earn one AWANA share in each club meeting by fulfilling the following:

- Come to club meeting on time
- Bring the handbook
- Wear full uniform (including membership card)

## **A special note to parents.....**

As parents, you play a very important role in your child's progress. There are a few guidelines that the parents and clubbers should aware and follow. This will ensure your kids to succeed, as well as to help the program run smoothly.

You are encouraged to:

- Help your child memorize one section of the handbook at home and initial it upon completion.
- Help your child invite friends to come as it's required to complete one of the AWANA sections.
- Participate in the special events sponsored by the AWANA club.
- Know the award system and its rules.
- Pick up your kid from his/her classroom when program ends and please be on time.
- Each Friday at least one of the parents of your child must attend a fellowship group in order to fulfill the CCIC, TV Awana club children protection policy requirement.

We sincerely hope that your child will have a great year of fun and learning in the AWANA Club, and we are looking forward to a wonderful year with your kid.

Thank you for your support,

May God bless you

## **Parent's involvement.....**

AWANA provides a great opportunity for each child to grow in Biblical knowledge and self-worth, as well as in relationship with God and others. You can help your child grow in these areas through AWANA program if you...

- Show interest in your child's achievement
- Encourage your child to come each week on time
- Work with your child in certain service sections and projects
- Help your child memorize at least one section in the handbook each week.
- Have your child relay to you what he/she has memorized and put your initial at the bottom of each section

Also, we may recruit your help in AWANA program as scripture examiner and classroom assistant. You may be asked to sign up for one month or perhaps more during the club year. Your help is valuable in assuring your kid's success to pass more handbook sections. Your participation also enables you to work with your kid and observes his/her learning progress in the classroom setting.
